Dear Friends,

It gives us immense pleasure to announce **9th edition of Oncosurgery Mastercourse - OM 9.0** dedicated to **Salivary Gland Tumors**.

Oncosurgery Mastercourse over the years has become a platform for demonstrating excellence in surgical techniques & optimum use of technology through mutual sharing of expertise.

Surgical output in Salivary Gland Tumours demands “Pinnacles of Surgical Skills”. OM 9.0 will help in “Fine tuning the surgical skills” of all the participants by ensuring interactions with Masters who will share their experiences through live cases, didactic lectures, Master Videos & Panel discussions.

Let us use this opportunity to learn from mutual experiences for ensuring better patient outcomes.

Looking forward to your active participation to make **OM 9.0** a Great Academic Success Story.

Regards

**Team OM 9.0**
